Travelling allowance to non-official Census officers etc.

Sir

I have the honor to address Government regarding the travelling allowance payable to non-official census officers etc., on account of the journeys and halts made by them in connection with the recent census.

2. The vast majority of the Census Officers appointed in connection with the recent census were recruited from among Government officers and officials. But with a view to secure the full number of officers required for Census purposes, a few of the non-officials (Landholders, employees of the municipal and Local Boards, Honorary Supervisors of Co-Operative Societies etc.,) had to be appointed as Supervisors or Enumerators, these being in some unavoidable cases - appointed as such in Census divisions far away from their respective places of residence. In the above circumstances the non-officials are entitled to travelling allowance for journeys or halts made by them in connection with the Census, the charges being debitable to Census funds.

REV. SECT.  
JAN 1922  
CHIEF SECRETARIAT  
III  
7 JAN 1922  
MILITARY AND  
MISCELLANEOUS

3. In the case of the Urban and city census charges, the census operations in which were conducted by the Municipal Vice President or the Chief Officer as Census Charge Superintendent thereof, the Census slips were, in common with rural charges, prepared locally as an experimental measure this time, and they were brought to the Central Administration Office, Bangalore, from the respective urban or city charges by an official of the respective urban or city Municipal office. Municipal Boards being generally not in favour of debiting travelling allowance due to their officials in such cases, to Municipal funds, the same has to be met from the Census funds; and provision for this has been made in the supplemental Budget for 1921-22.

4. I therefore, submit for the orders of Government the following proposals regarding rates at which travelling allowance may be to the non-official census officers, etc., referred to above :- (1) in the case of the employees of the Municipal and Local Boards, the pay each of them was getting at the time he made the journey or halt to be taken to account in determining the travelling allowance to be paid; the rates of travelling allowance fixed for Government officials ~~as~~ (drawing equal pay) in Government Order No. Fl. 3070-3119/S & A 106-19-3 dated 20th November 1919 being made applicable to them; (2) in the case of the non-official Vice Presidents of the Taluk Boards appointed as census officers, the rates fixed in Notification No. R. 11171/L.F. 106-19-3 dated 26th March 1920 may be adopted; and (3) in the case of other non-official census officers, the monthly income and status of the non-official concerned may be taken as the basis and travelling allowance allowed at the rates provided in the Government Order of 20th November 1919 for Government officials getting similar income.

5. As claims for travelling allowance due to several non-official census officers etc., are pending settlement, I request the Government in favour of early orders of Government in the matter.

To The Census Supt

Sir,

With reference to your letter No. 1911/F. 159-9-b.1-21 regarding the grant of t/a to certain nonofficial & quasi-official Census officers. I am directed to request that information on the marginally noted points

what may be the probable claim under this head?

2. Was t/a paid to non-official gentlemen on previous occasions?

Travelling allowance to non-official census officers.

SIR,

Adverting to correspondence ending with your letter No.M.3339/  
Cen.12-21-2 dated the 2nd February 1922, I have the honour to state  
that from the bills so far received from the several census charges,  
it is ascertained that a sum not exceeding 400 rupees will be re-  
quired to meet the expenditure to be incurred on account of travel-  
ling allowance to such of the non-official census officers employed  
at the recent census as have sent up their travelling allowance bills.  
As it is very probable that the non-official census officers who  
have not yet preferred their claims for travelling allowance due to  
them, may claim travelling allowance as soon as they come to know -  
that they are entitled to the same for journeys etc., performed by  
them in connection with the census a circular will be issued stating  
that no such claims if preferred hereafter will be recognised. ~~no pre-  
ferred claims will be recognised.~~ This will prevent the amount under -  
travelling allowance to non-officials from exceeding the above sum  
of Rs400/- (for which a sum of Rs1000/- has been provided in the cur-  
rent year's supplemental census budget

2. As regards the expenditure incurred during the censuses of 1911 and 1901 under the head in question, I invite reference to pages 37 and 27 of 'the Census Administrative Reports of 1911 and 1901 respectively, from which it will be seen that a sum of Rs88-8-9 was spent under the above head at the Census of 1911 and Rs318-8-11 under the head "Remuneration and travelling allowance to non-official census officers" during the census of 1901.

② includes.

Correspondence ending with letter No.2906/F. 159 dated 4th February 1922 --- from the Census Superintendent in Mysore reporting that in the interest of Census work certain non-officials (Land holders, employees of Municipal and Local Boards Honorary Supervisors of Co-operative Societies etc.,) had to be employed as Census Officers and placed in charge of Census divisions, in certain unavoidable cases, far away from their places of residence and that claims for travelling allowances for journeys and halts made by them in this connection and also for taking Census slips from the urban and Municipal areas to the Central Abstraction Office have come up for settlement and proposing that -- these non-official Census Officers may be given Travelling Allowance out of --- Census funds at the following rates:-

- (i) Employees of Municipal and Local Boards be given the same allowances as Government Officials, drawing equal pay, would get under G.O. No.F1.3070-3119/ S & A 107-19-1 dated 20-11-1919.
- (ii) Vice Presidents of Taluk boards, be allowed the rates fixed in Notification No.R.11171/L.B.106-19-3 dated 26th March 1920.
- (iii) Other non-officials be treated as if they are Government servants of the status and pay equivalent to their status and monthly income and granted travelling allowance at the rates provided in the Government Order of 20th November 1919.

ORDER THEREON.- No. M 4714-15 of 18/4/22  
P.T.O.

The grant of Travelling allowance to non-officials ~~and~~ Census Officers on the scales proposed by the Census Superintendent is approved.

*But-* The Census Superintendent will in each case satisfy himself that the journey was ~~of~~ for an unreasonably long distance, in connection with Census work and fix a time limit before which all such claims are to be made. The total cost on this account should not exceed the budget provision of Rs. 1,000/-.
